

ULThERA & LASER CANCELLATION POLICY

We understand that unplanned issues can come up and you may need to cancel or reschedule an appointment. If that happens, we respectfully ask for scheduled Ulthera or Laser appointments to be cancelled at least 48 hours in advance.

Our providers want to be available for your needs and the needs of all our patients. These procedures are performed directly by our providers, and not by a Medical Assistant or a technician. When a patient does not arrive for a scheduled appointment, another patient loses an opportunity to be treated. Therefore, to book an Ulthera or Laser appointment, you will be charged a 40% deposit, which will be credited toward the Ulthera or Laser treatment when you present for the scheduled treatment. However, if you fail to give 48 hours notice of your cancellation, your deposit will be forfeited.

Since our office is closed on Saturdays and Sundays, Ulthera & Laser appointments scheduled for a Monday must be cancelled on the Friday before.

Thank you for being a valued patient and for your understanding and cooperation. This policy will enable us to open otherwise unused appointments to better serve the needs of all patients.

I understand and accept the cancellation policy for 57 West Dermatology and agree to the booking deposit of 40% of the cost of the scheduled procedure, which will be forfeited if I do not give 48 hours notice of cancellation.
